

## Measurement and Control Flow-Level-Pressure-Temperature

### Flow

**Fluid Components Intl (FCI):** Thermal Dispersion Flow Switches, Mass Flow Meters

**Pulsar Measurements:** Doppler & Transit Time, Open Channel Flow, Area-Velocity

**Seametrics:** Water Meters, Insert, Paddlewheel, Magnetic, Turbine Meters

**OpenChannelFlow:** Flumes & Weirs, Weir Boxes, Fiberglass Metering Manholes

**QPS / EBG Flow:** Orifice Plates, Flanges, Flow Elements, Venturis

**Turbines Inc:** Liquid & Gas Turbine Meters

**Klay Instruments:** Smart Pressure & Differential Pressure Transmitters

**Krohne:** Magnetic & Coriolis Flow Meters, Ultrasonic Flow Meters, Variable Area Flow Meters

**Vortek Instruments:** Vortex Shedding Flow Meters

### Level

**Fluid Components Intl (FCI):** Thermal Dispersion Level Switches

**Pulsar Measurements:** Ultrasonic Level Transmitters, Radar Level Transmitters

**KELLER:** Submersible Level Transducers & Pressure Transmitters

**Krohne:** Radar Level, Ultrasonic Level Transmitters

**Haygor Instrument & Co:** Tank Level Transmitters

**National Magnetic Sensors:** Float Type Level Switches

### Pressure

**KELLER:** Pressure Transducers / Transmitters

**ITT Neo-Dyn:** Vacuum Switches, Differential Switches, Pressure Switches

**Haygor Instrument & Co:** Remanufactured Rosemount Pressure & DP Transmitters

**Expo Technologies:** Enclosure Purge and Pressurization Controls

**Winchester Engineering:** Auto-Ranging & Digital Pressure Gauges

**Magnum Pro:** Pressure Calibration Pumps

**Reotemp Instruments:** Pressure Gauges

### Temperature

**JMS Southeast:** RTDs, Thermocouples, Specialty Temperature Sensors, Thermowells, Protection Tubes, Temperature Transmitters

**ITT Neo-Dyn:** Temperature Switches

**Novus:** Temperature Transmitters

### Calibration & Signal Conditioning

**PIE Calibrators:** Process Signal Calibrators

**Precision Digital:** Panel Meters & Displays, PID Controllers, Enclosures

**Sensorex:** pH, ORP, Conductivity Sensors

**KEP:** Flow Computers & Displays

**Wilkerson:** Signal Conditioners, Wireless Transmitters & Telemetry

**Novus:** Data Loggers, Controllers, Displays, Humidity Transmitters

**Magnum Pro:** Pressure Calibration Pumps

## Measurement and Control Flow-Level-Pressure-Temperature

**Cashco:** Pressure Reducing & Back Pressure Regulators, Control Valves  
**Valve Concepts / VCI:** Nitrogen Tank Blanketing Valves  
**G.C. Valves:** Solenoid Valves

## Valves

**North American Safety Valve Inc. (NASVI):** Safety Relief Valves, Valve Repair  
**Enardo:** Tank Vent Valves, Thief Hatches, Pressure-Vacuum Relief Valves

## Additional Services

**Vortab:** Flow Conditioners, Plates, Insertion Sleeves, and Meter Runs  
**Enardo:** Flame & Detonation Arrestors  
**OpenChannelFlow:** Fiberglass Shelters, Weir Boxes, Enclosures  
**Precision Digital:** Panel Meters, Indicators, PID Controllers  
**On-Site:** Startup Assistance Service, Calibration Verification Service

## Flow Subcategories

- **Magnetic Flow Meter:** In-Line, Insertion
- **Mass Flow Meters:** Coriolis & Thermal Dispersion
- **Ultrasonic Meters:** In-Line, Open-Channel
- **Doppler & Transit Time:** Clamp-On, Portable
- **Differential Pressure:** Transmitters, Indicators & Switches
- **Orifice Plates, Venturis, Flumes, Weirs**
- **Paddlewheel Meters, Turbine Meters**
- **Variable Area, Vortex Shedding**

## Level Subcategories

- Thermal Dispersion
- Ultrasonic & Radar
- Submersible Pressure Transducers
- Open-Channel Flow

## Pressure Subcategories

- Pressure Transmitters, Switches
- Differential Pressure Transmitters
- Submersible Level Transducers
- Enclosure Purge and Pressurization

## Temperature Subcategories

- RTDs, Thermocouples, Protection Tubes, Thermowells
- Temperature Transmitters
- Temperature Indicators

## Calibration Subcategories

- **Process Calibrators:** Current, Voltage, Temperature, Pressure
- **Hand Pumps, Test Gauges**
- **Digital Indicators, Signal Conditioners**
- **Enclosures, Alarm Lights & Horns, Isolators**
- **Recorders and Data Loggers, Totalizers**

## Valve Subcategories

- **Regulators, Control Valves**
- **Specialty Valves:** Tank Blanketing Systems
- **Safety Relief Valves:** Direct & Pilot Operated

# Process Instrumentation You Can Trust!

Our Instrument Sales Engineers Have 100 Years of Combined Experience!
