

## Measurement and Control Flow-Level-Pressure-Temperature

(513) 528-4445 | (317) 546-5599

[www.mljco.com](http://www.mljco.com) • [sales@mljco.com](mailto:sales@mljco.com)

### Flow

**ABB:** Magnetic, Vortex, Coriolis Flowmeters, Swirl Flowmeters, Variable Area Flowmeters, Differential Pressure Transmitters (for Flow)

**Fluid Components Intl (FCI):** Thermal Dispersion Mass Flowmeters, Flow Switches

**Pulsar Measurements:** Open Channel Flow, Clamp-On Doppler & Transit Time Flowmeters, Portable Clamp-On Flowmeters, Area-Velocity

**Seametrics:** Water Meters, Insert, Paddlewheel, Magnetic Flowmeters, Turbine Meters

**QPS / EBG Flow:** Orifice Plates, Flanges, Flow Elements, Venturi Flow Elements

**Turbines Inc:** Liquid & Gas Turbine Meters

**Vortek Instruments:** Vortex Shedding Flowmeters

**OpenChannelFlow:** Flumes & Weirs, Weir Boxes, Fiberglass Metering Manholes

### Level

**ABB:** Tank Level Transmitters, Laser Level Transmitters, Ultrasonic Level Transmitters

**Fluid Components Intl (FCI):** Thermal Dispersion Level Switches

**Pulsar Measurements:** Ultrasonic Level Transmitters, Radar Level Transmitters, Open Channel Flow / Level Metering

**KELLER:** Submersible Level Transducers & Pressure Transmitters

**National Magnetic Sensors:** Float Type Level Switches

### Pressure

**ABB:** Pressure Transmitters, Tank Level, Differential, Diaphragm Seals & Capillaries

**KELLER:** Pressure Transducers / Transmitters

**ITT Neo-Dyn:** Vacuum Switches, Differential Switches, Pressure Switches

**Haygor:** Remanufactured Transmitters

**Expo Technologies:** Enclosure Purge and Pressurization Controls

**Winchester Engineering:** Auto-Ranging & Digital Pressure Gauges

**Magnum Pro:** Pressure Calibration Pumps

**Reotemp Instruments:** Pressure Gauges

### Temperature

**JMS Southeast:** RTDs, Thermocouples, Specialty Temperature Sensors, Thermowells & Protection Tubes

**ABB:** Temperature Transmitters - Hockey Puck Style, DIN Rail Mount, Remote Indicating

**ITT Neo-Dyn:** Temperature Switches

### Calibration & Signal Conditioning

**PIE Calibrators:** Process Signal Calibrators

**Precision Digital:** Panel Meters & Displays, PID Controllers, Enclosures

**Sensorex:** pH, ORP, Conductivity Sensors

**KEP:** Flow Computers & Displays

**Wilkerson:** Signal Conditioners, Wireless Transmitters & Telemetry

**Novus:** Data Loggers, Controllers, Displays, Humidity Transmitters

**Magnum Pro:** Pressure Calibration Pumps

## Measurement and Control Flow-Level-Pressure-Temperature

### Valves

**ABB:** Smart Positioners, I/P Transducers

**Cashco:** Pressure Reducing & Back  
Pressure Regulators, Control Valves

**Valve Concepts / VCI:** Nitrogen Tank  
Blanketing Valves

**G.C. Valves:** Solenoid Valves

**North American Safety Valve Inc. (NASVI):**  
Safety Relief Valves, Valve Repair

**Enardo:** Tank Vent Valves, Thief Hatches,  
Pressure-Vacuum Relief Valves

### Additional Services

**Vortab:** Flow Conditioners, Plates, Insertion Sleeves, and Meter Runs

**Enardo:** Flame & Detonation Arrestors

**OpenChannelFlow:** Fiberglass Shelters, Weir Boxes, Enclosures

**Precision Digital:** Panel Meters, Indicators, PID Controllers

**On-Site:** Startup Assistance Service, Calibration Verification Service

### Flow Subcategories

- **Magnetic Flowmeter:** In-Line, Insertion
- **Mass Flowmeters:** Coriolis, Thermal Dispersion
- **Ultrasonic Doppler & Transit Time:** Clamp-On, Portable
- **Differential Pressure:** Transmitters, Indicators, Switches
- **Orifice Plates, Venturis, Flumes, Weirs**
- **Paddlewheel Meters, Turbine Meters**
- **Variable Area, Vortex Shedding, Swirl Meters**

### Level Subcategories

- **Tank Level Transmitters**
- **Thermal Dispersion Switches**
- **Ultrasonic, Radar, Laser**
- **Submersible Level Transducers**

### Pressure Subcategories

- **Pressure Transmitters, Switches**
- **Differential Pressure Transmitters**
- **Submersible Level Transducers**
- **Enclosure Purge and Pressurization**

### Temperature Subcategories

- **RTDs, Thermocouples, Protection Tubes, Thermowells**
- **Temperature Transmitters**
- **Temperature Indicators**
- **Temperature Switches**

### Calibration Subcategories

- **Process Calibrators:** Current, Voltage, Temperature, Pressure
- **Hand Pumps, Test Gauges**
- **Digital Indicators, Signal Conditioners**
- **Enclosures, Alarm Lights & Horns, Isolators**
- **Recorders and Data Loggers, Totalizers**

### Valve Subcategories

- **Valve Positioners, Regulators, Control Valves**
- **Specialty Valves:** Tank Blanketing Systems
- **Safety Relief Valves:** Direct & Pilot Operated

## **Process Instrumentation You Can Trust!**

**Our Instrument Sales Engineers Have 100 Years of Combined Experience!**
